AADT - 7 DAY 24 HOUR AVERAGE													10670			

NOTE: Inbound cyclists and pedestrians have not been included. Inbound cyclists tended to travel on the western (outbound) side of Dunkeld Road and so this activity was not recorded as using the inbound carriageway.

There is a crossing facility at the Inveralmond Roundabout from the western (outbound) carriageway. This is not shown on Google satellite imagery, although can be viewed from Google Street View.
