- development, monitoring and overseeing the implementation of the Regional Transport Strategy.

- engaging in and supporting Community Planning.

- acting as a Key Agency in the Development Planning process; and

- ensuring advice is made available on the issues arising from Brexit.

3.2   The Register identifies and takes account of relevant strategic, operational and governance risks, including any key risks identified during annual audit processes by external auditors and through other internal and external review processes.

3.3   The main areas of identified risk are categorised in relation to (1) Reviews, Collaboration & Governance; (2) RTS Development and Delivery; (3) Management and Operation of the Partnership; and (4) Financial. The various risks are monitored and updated by the Director and Treasurer.

3.4   Risk Controls and Actions were previously updated in March 2018, March 2019, March 2020, March 2021, March 2022 and March 2023 to reflect major actions such as renewal of the RTS and review of the RTS Delivery Plan and Monitoring Framework. The Register has been further updated to reflect completion of and progress against these key activities during 2023/24.

3.5   The Partnership is asked to review the Risk Register at Appendix A and to approve this as a basis for ongoing review during 2024/25, and to receive a further report reviewing the Register within 12 months.

4   CONSULTATIONS

4.1   The Risk Register has been developed and updated having regard to the Partnership's core statutory duties and responsibilities, taking account of emerging operational and legislative issues and other areas of risk identified during annual audit processes.
