**1 RECOMMENDATIONS**

1.1 That the Partnership: -

- (i) reviews the Risk Register which forms Appendix A to the report; and
- (ii) agrees to receive a further report reviewing and updating the Risk Register not later than March 2026.

**2 BACKGROUND**

2.1 The Risk Management Policy and Strategy was first approved at the Partnership meeting on 21 June 2011 (Report RTP/11/14 refers) and has been periodically reviewed and updated. The Risk Management Policy and Strategy recognises that compliance with the principles of best value and good corporate governance requires a formalised approach to the management of strategic, operational, and financial risks which the Partnership may face, in a proactive and controlled manner.

- 2.2 The Risk Management Policy and Strategy was most recently reviewed and updated in September 2024, as part of the Partnership's agreed approach to undertaking periodic comprehensive review of its Core Governance Policies (Report RTP/24/24 refers).
- 2.3 The Risk Register, which supports implementation of the Risk Management Policy and Strategy, is reviewed formally by the Partnership at least annually. The Partnership last reviewed its Risk Register at its meeting on 12 March 2024 (Report RTP/24/02 refers).

### **3 DISCUSSION**

- 3.1 The Risk Register reflects the Partnership's status along with primary statutory duties and responsibilities in relation to:
- the future of the Partnership's role and responsibilities in the context of the published National Transport Strategy and STPR2 national review.
  - the role of the Partnership with regard to the collaboration arrangements for the respective City Deals.
  - development, monitoring and overseeing the implementation of the Regional Transport Strategy.
  - engaging in and supporting Community Planning; and
  - acting as a Key Agency in the Development Planning process.
- 3.2 The Register identifies and takes account of relevant strategic, operational and governance risks, including any key risks identified during annual audit processes by external auditors and through other internal and external review processes.
- 3.3 The main areas of identified risk are categorised in relation to (1) Reviews, Collaboration & Governance; (2) RTS Development and Delivery; (3) Management and Operation of the Partnership; and (4) Financial. The various risks are monitored and updated by the Director and Treasurer.
- 3.4 Risk Controls and Actions have been updated annually each March since 2018, to reflect major actions such as renewal of the RTS and review of the RTS Delivery Plan and Monitoring Framework. The Register has been further updated to reflect completion of and progress against these key activities during 2024/25.
- 3.5 The Partnership is asked to review the Risk Register at Appendix A and to approve this as a basis for ongoing review during 2025/26, and to receive a further report reviewing the Register within 12 months.

## **4 CONSULTATIONS**

- 4.1 The Risk Register has been developed and updated having regard to the Partnership's core statutory duties and responsibilities, taking account of emerging operational and legislative issues and other areas of risk identified during annual audit processes.

## **5 RESOURCE IMPLICATIONS**

- 5.1 This report has no additional resource implications.

## **6 EQUALITIES IMPLICATIONS**

- 6.1 This report has been screened for any policy implications in respect of Equality Impact Assessment and no major issues have been identified.
